CONGRESSMAN HENRY HYDE - VICTIM;
EXTORTION (A);
OO: CHICAGO

Re Chicago teletype to Director dated December 6, 1987.

Chicago Assistant United States Attorney (AUSA)
LISA HUESTIS advised that prosecution of this matter would
be declined but requested that Chicago try to locate and
interview subject before closing the case.

Subject was located in Roselle, Illinois, and
subsequently interviewed at Roselle Police Department.
It was carefully and clearly explained to subject that
he must cease sending letters and telephone calls to Congressman
HENRY HYDE or he would possibly face Federal charges for
extortion. Subject responded with incoherent statements
about World War II, the 6th Congressional District, and
President FRANKLIN D. ROOSEVELT. It was the observation
of the interviewing agent that subject has rather severe
mental health problems.

b6
b7C

All investigation has been complete by Chicago
and this matter has been placed in a closed status.

Result of examination:

Specimens Q1 through Q4 were searched through the Anonymous Letter File without effecting an identification. Copies were added to this file for future reference.

Questioned writing on Q1 through Q4 is suitable for a handwriting examination if an adequate amount of known writing is obtained.

It may be possible to associate the irregular, perforated upper edge of Q2 with the tablet where it originated by means of a torn paper examination.

Q1 through Q4 were examined for watermarks and indented writing of value with negative results.

The submitted specimens were photographed for record. You will be advised in the latent fingerprint report concerning their disposition.
